

My name is Tammy Tyler and I began working for The City of Torrance as a Senior Rec. Leader in 1997.

I took a part time position at Greenwood as the lead teacher in Kinder-Klass in 2001. My love for education began at an early age and I enjoy it more and more everyday! I love teaching Kinder-klass and helping prepare the children to succeed in kindergarten. In my spare time I enjoy spending time with my husband, my 2 daughters and dog.

I also enjoying running and going to the gym.
